RESOLUCION RECTORAL 4 0 7 0 9

2 2 SEP 2015

Por la cual se fijan las tarifas y la forma de pago de los derechos pecuniarios de matrícula y complementarios, para la décimo quinta cohorte de la MAESTRÍA EN EPIDEMIOLOGÍA a ofrecerse en la Facultad Nacional de Salud Pública “Héctor Abad Gómez”

EL RECTOR DE LA UNIVERSIDAD DE ANTIOQUIA, en uso de sus atribuciones legales y estatutarias, particularmente las que le confiere el Acuerdo Superior 082 del 22 de julio de 1996, y

CONSIDERANDO QUE:

1. En cumplimiento de su misión como Centro de Estudios Superiores, la Facultad Nacional de Salud Pública cuenta entre otros, con programas de posgrado, los cuales generan necesidades de talento humanos y recursos físicos y técnicos.
2. La Resolución Superior 897 del 3 de febrero de 1989, establece que todos los programas de posgrado que se ofrezcan en la Universidad, sin excepción, deben producir un margen moderado de beneficio económico.
3. Mediante el Acuerdo Superior 082 del 22 de julio de 1996, el Consejo Superior Universitario delegó en el Rector la función de fijar los derechos pecuniarios y complementarios para los estudiantes de pregrado y posgrado.
4. La Facultad Nacional de Salud Pública solicitó, con asesoría del Departamento de Desarrollo Institucional, fijar el valor para la decimo quinta cohorte de la MAESTRÍA EN EPIDEMIOLOGÍA.
5. El Comité Central de Posgrados mediante Resolución 1146 del 26 de junio de 2015, autorizó fijar los criterios, los cupos de admisión y el punto de corte para la décimo quinta cohorte del programa Maestría en Epidemiología.
6. El valor de la matrícula definido en 11 Salarios Mínimos Mensuales por semestre, fue establecido producto de la negociación con la entidad financiadora Organización

Mundial de la Salud-OMS-, en aplicación de la carta de acuerdo firmada entre esta y la Facultad Nacional de Salud Pública y soportado en el análisis de los costos realizado por la Dirección de Desarrollo Institucional y las necesidades específicas de formación de los becarios, para el logro de los objetivos dentro del tiempo de duración del programa.

RESUELVE

ARTÍCULO 1: Fijar en once (11) salarios mínimos legales mensuales vigentes, aproximados al múltiplo de mil inmediatamente superior, el valor de cada semestre, por concepto de derechos de matrícula y complementarios, para la décimo quinta cohorte del programa Maestría en Epidemiología, adscrita a la Facultad Nacional de Salud Pública "Héctor Abad Gómez", la cual tiene una duración de cuatro (4) semestres durante los cuales se debe realizar el trabajo de investigación.

ARTÍCULO 2: Para garantizar la estabilidad económica del programa y con base en el estudio de costos realizado por la Facultad y por la Dirección de Desarrollo Institucional, el número mínimo de estudiantes sin exenciones deberá ser de dieciséis (16).

Your reference:

15 June 2015

Dear Professor Arbelaez Montoya,

Letter of Agreement

Further to your project proposal and request for funding under **TDR International Postgraduate training Scheme on Implementation research** ("the Project"), which was received on 28 February 2015 and confirmed after a site visit on 19 May 2015 as per the recommendations of external reviewers, we are pleased to inform you that the World Health Organization ("WHO") hereby agrees to provide financial support for the Project, in the maximum amount of US\$ 1,205,706 (One million two hundred five thousand seven hundred and six United States dollars). The Project is outlined in the proposal which is attached as Annex I hereto, which forms an integral part of this Agreement. This amount shall be paid in three instalments as follows:

- US\$ 518,453.58 (43%) on receipt of the original countersigned Letter of Agreement
- US\$ 566,681.82 (47%) on receipt and acceptance of a satisfactory, detailed progress and financial report, to be submitted after 12 months
- the balance (US\$ 120,570.6) (10%) on receipt and acceptance of a satisfactory, final, detailed activity and financial report for the scheme, to be submitted at 24 months from the starting of the Agreement

The Agreement will cover the period of two years from 15 June 2015 to 14 June 2017 with a possibility of renewal for another two years.

The contribution provided by WHO hereunder shall be used by the University of Antioquia exclusively for the purposes indicated in the terms of reference (Annex II) and in accordance with the budget expenditure pattern contained therein. The University of Antioquia shall administer the contribution in accordance with its financial rules and regulations, administrative rules and practices. Income and expenditure recorded in respect of the contribution shall be identified and kept separately by the University of Antioquia in a subaccount established for that purpose. Any balance of the contribution that is outstanding at the time of completion of the Project outlined in Annex I and deliverables in Annex II, or on earlier termination of this Agreement, shall be held by the University of Antioquia at the disposal of WHO after all obligations duly incurred by the University of Antioquia on the Project prior to such completion or termination have been settled.

... ENCL: (2)

The University of Antioquia shall keep WHO regularly informed of the progress made in the activity financed by the contribution. WHO may request the University of Antioquia to provide complementary information that is reasonably available. In connection with the foregoing, the University of Antioquia shall in any event, every 6 months from the date of signature of this Agreement, provide WHO with summary reports, showing the activities undertaken and progress achieved towards the implementation of the Project as outlined in Annex II.

In addition, the University of Antioquia shall, every 12 months from the date of signature of this Agreement, provide WHO with financial statements showing the use of the funds provided hereunder compared with the budget expenditure pattern contained in Annex II.

The University of Antioquia shall submit a final technical and financial report to WHO within ninety (90) days after the completion of the Project outlined in Annex I, or earlier termination of this Agreement, but in any event no later than 14 September 2017.

All financial reporting is subject to audit by WHO or persons acting on behalf of or for WHO, including examination of supporting documentation and relevant accounting entries in the University of Antioquia books. In order to facilitate such financial reporting and audit, the University of Antioquia shall keep accurate and systematic accounts and records in respect of the Project funded under this Agreement.

The University of Antioquia shall be solely responsible for the manner in which work supported by WHO under this Agreement is carried out, and accordingly the University of Antioquia shall assume full responsibility for any claims and liabilities arising from such work. Thus, WHO shall not be responsible for any loss, accident, injury or damage suffered by the University of Antioquia or persons claiming under the University of Antioquia, arising during or as a result of the aforesaid work, or in any manner whatsoever, including travel.

The right, title, and interest in any original works of authorship developed pursuant to this Agreement shall vest in the University of Antioquia. The University of Antioquia grants to WHO an automatic, perpetual, royalty-free, irrevocable, world-wide, non-exclusive license to use, adapt and disseminate the works and to create derivative works based upon any part of the works developed under this Agreement.

WHO shall be duly acknowledged by the University of Antioquia in any work resulting from the Project. Without the prior written approval of WHO, the University of Antioquia shall not refer to the relationship of WHO to the Project in any statement or material of a publicity or promotional nature.

In the event the University of Antioquia breaches any material term of this Agreement and fails to cure such breach within thirty days after receipt of a written notice from WHO, WHO shall (in addition to other remedies) be entitled to terminate this Agreement prior to its term by written notice, with immediate effect. In the event the implementation of any activity funded by WHO under this Agreement is delayed, suspended or curtailed for any reason, due to circumstances beyond the reasonable control of the University of Antioquia, the University of Antioquia shall immediately so notify WHO in writing, and the parties shall consult and negotiate in good faith with a view to agreeing on appropriate and reasonable amendments to this Agreement.

Any dispute relating to the interpretation or application of this Agreement shall, unless amicably settled, be subject to conciliation. In the event of failure of the latter, the dispute shall be settled by arbitration. The arbitration shall be conducted in accordance with the modalities to be agreed upon by the parties or, in the absence of agreement, with the United Nations Commission on International Trade Law (UNCITRAL) Arbitration Rules. The parties shall accept the arbitral award as final.

Nothing contained in or relating to this Agreement shall be deemed to constitute a waiver of any of the privileges and immunities enjoyed by WHO and/or as submitting WHO to any national court jurisdiction.

If you agree to the above, it would be appreciated if you could arrange for both originals of this Letter of Agreement to be signed and dated by a duly authorized representative of the University of Antioquia. One copy of the original should be returned to us, indicating the bank account, name and address where payment should be made. Payment of the first instalment shall be effected upon receipt by WHO of the countersigned original letter.

Yours sincerely,

Dr Winnie Mpanju-Shumbusho
Assistant Director-General
HIV/AIDS, Tuberculosis, Malaria and Neglected
Tropical Diseases/
TDR Special Programme Coordinator

Facultad Nacional de Salud Pública
Universidad de Antioquia

Atendiendo su petición, le adjunto el costo para el programa de "Maestría en Epidemiología", a ofrecerse en convenio con la Organización Mundial de la Salud – OMS - Programa Especial de Entrenamiento e Investigación en Enfermedades Tropicales —TDR.

De acuerdo al Convenio, el Programa Especial de Entrenamiento e Investigación en Enfermedades Tropicales —TDR— de la Organización Mundial para la Salud – OMS. se compromete con la financiación del programa a través del otorgamiento de becas que cubren todos los gastos de estudio, desplazamiento y estadía en Medellín de los estudiantes durante dos años.

Considerando todos los costos y la financiación de los estudiantes mediante el otorgamiento de becas, la formación de un estudiante tiene un costo de 83 salarios mínimos mensuales legales vigentes, por semestre.

Además en el Convenio se determinó el cobro de una tarifa de 11 salarios mínimos legales vigentes por estudiante /semestre.

De acuerdo a lo anterior, las conclusiones son: 1) El Programa Especial de Entrenamiento e Investigación en Enfermedades Tropicales —TDR, de la Organización Mundial para la Salud – OMS, financia dicho programa de Maestría 2) el costo asignable por estudiante/semestre, según convenio, es de 11 salarios mínimos mensuales legales vigentes, y 3) y es válido para un número mínimo de 16 estudiantes.

El cálculo se realizó a precios del 2015, con base en los datos aportados por su dependencia.

Cordialmente,
